acadiana happens ...from 30

Closing Out

In the end we all have much to offer during the summer season. During such a season we often find ourselves creating new romances and friendships. Remember that people come and go yet a simple few we should hold onto. Some teach us new experiences while, in return, we find ourselves teaching them something new. I challenge you to never take such a bond for granite. Remember that everything truly does happen for a reason. Allow yourself to open up for a new experience.

Continue to grow and prosper, Acadiana! Here's to keeping the party going. As always, you're listening up with Joey Collins, girl!
