#### Wood Enterprises Launches W.E. Have A Heart Fund

All four of Wood Enterprises businesses have joined together to launch W.E. (Wood Enterprises) HaveAHeart Fund in New Orleans. The employee funded program will benefit the employees of Cafe Lafitte in Exile, Clover Grill, Good Friends Bar and Rawhide. It is designed to provide assistance for fellow employees in their times of need. Employees agree to have a set dollar amount deducted from their paycheck which will go into this fund. The employee will set the amount to be deducted with \$2 being the minimum.

The fund will be managed by an employee of each participating business picked by the manager, along with Ken Grandpre and Gary Agee. Each person will have a vote with the exception of Gary Agee who will vote only to break a tie. Three voting members must be present to make a quorum. Anyone can contribute to the fund, but to be eligible for benefits the employee must work at least eight hours per week.

Employees do not have to contribute to the fund to be eligible for benefits.

Qualifications for benefits include, but are not limited to the following:

1. Need must be caused by an extraordinary event.
2. Need must be a one time event.
3. Loss of work due to illness.
4. Death of an immediate family member (father, mother, sibling).
5. Other major issues such as an act of God.

Benefits will be paid to a third party. No cash will be given directly to the applicant. Documentation of need, such as an electric bill must be submitted with application. All decisions will be made by the board as to amount to be paid. A simple majority of the board is required for each decision. Anyone deciding to withdraw from the program must do so in writing. The deductions will cease beginning the following pay period.
